Any issues with phone due to repair must be brought to our attention within 3 days otherwise we take no responsibility.

We take no responsibility for lost accessories such as cases, sd cards, or sim cards. Please take these things with you.

We only cover our defective parts, not other apple issues.

I shall make sure the phone is working fine prior to leaving after repair.

If any parts need to be ordered for repairs waiting time will be minimum 5 days.

I am responsible for backing up the data on my phone prior to handing it over for repair.

I understand that your company is not responsible for any software or data loss on my phone.

I Understand that for any diagnostics or work done to phone, there is a \$20 minimum charge.

All Sales Final.No Refudds, if you have an issue it needs to be addressed as soon a possible for us to be able to help you.

We have the right to sell any item not picked up 15 days after it is done to cover our repair cost.

If any items not picked up in 15 days it will become property of cherry hill iphone repair

If phone has previous water damage, it can cause more damage once we open and could cause phone to stop working completely.
